A Tardis fitter can connect your waste tank to your welfare unit. Please request a quote.

Main Features – 13,600 Litre Waste Tank

- Robust construction, fabricated from 4mm mild steel
- Ideal solution where there is no access to a main sewage line
- Can easily be plumbed in to your welfare unit
- Will fit under most welfare cabins to conserve space on site
- Lifting eyes for easy transport
- 6 inch inspection hatches – located in each corner
- Easy wet waste removal due to large inspection hatches
- Can be plumbed in to more than one welfare unit
- Weight when empty: 1.2 tonnes approx.

All tanks are subject to availability, and bespoke tanks can be made upon request. Square tanks need to be buried at **MID LEVEL**.

If you need a tank to be fully buried. Please let us know your specific requirements when ordering so we can supply you with the most suitable tank.
