**A Tardis fitter can connect your  
waste tank to your welfare unit.  
Please request a quote.**

**Main Features – 18,000 Litre (4000 gallon) Litre Waste Tank**

- Robust construction, fabricated from 4mm mild steel
- Ideal solution where there is no access to a main sewage line
- Can easily be plumbed in to your welfare unit
- Will fit under most welfare cabins to conserve space on site
- Lifting eyes for easy transport
- 6 inch inspection hatches – located in each corner
- Easy wet waste removal due to large inspection hatches
- Can be plumbed in to more than one welfare unit

**All tanks are subject to availability,  
and bespoke tanks can be made  
upon request. Square tanks need  
to be buried at **MID LEVEL**.**

**If you need a tank to be fully  
buried. Please let us know your  
specific requirements when  
ordering so we can supply you  
with the most suitable tank.**
