

### Main Features– 7.5 ton Service Vehicle

- ❑ 20 ft bed
- ❑ Tailift
- ❑ Can carry 6 toilets
- ❑ Large service pump
- ❑ 10 metres of suction hose
- ❑ Water tank capacity 900 litres (APPROX)

Please note, the service vans can only reach 9 metres from where they can safely park. If the units are moved after initial delivery or access is restricted and the units can't be serviced by our standard service van, then a bespoke quotation will be required for a vehicle with additional hose. This rate is in addition to the weekly hire rate.
