

Dimensions (W x D x H) MM – 1118 x 1219 x 2310

Product Overview

Strong, durable and low-maintenance. With options that will adapt to suit construction sites or outdoor events alike, the Tardis portable toilet is robust, lightweight, low-maintenance and easy to clean. The heater is foot pump operated and runs through the heater to produce hot water for hand washing.

This unit comes complete with an instantaneous 3kW water heater connected to a forearm-sized sink to supply warm running water. This unit comes complete with full RCD/ MCB protection, which complies to the latest IEE regulations.
