

Dimensions: 2.33 mtrs High x 1.22 mtrs Width x 1.20 Depth

## Drop Tank

### SQUAT TANK INSIDE A PORTALOO

PLEASE NOTE THERE IS NO MAINS CONNECTION AND NO SINK INCLUDED IN THESE UNITS.

However if handwashing is required, we can offer a sink as an additional extra but this must be stated at the time of ordering. A sink would only offer limited water, so our recommendation would be to hire our **hot wash unit**. Please speak with our sales team for further info.

Weight: 96KG
