A Tardis fitter can connect your waste tank to your welfare unit. Please request a quote.

Main Features – 4500 Litre Waste Tank

- Robust construction, fabricated from 4mm mild steel
- Ideal solution where there is no access to a main sewage line
- Can easily be plumbed in to your welfare unit
- Will fit under most welfare cabins to conserve space on site
- 4 x lifting lugs
- 6 inch inspection hatches – located in each corner
- Easy wet waste removal due to large inspection hatches
- Can be plumbed in to more than one welfare unit

Added Features

- Content indicator
- Access lid (lockable)
- 3" Bauer waste extraction point
- Submersible waste pump
- Consumer unit

Outlets on ball valves range from 25mm to 75mm depending on requirements
