

Dimensions: 1118mm Wide x 1219mm Deep x 2286mm High

Unit colours may vary

### Main Features

- Ideal for weddings, parties and festivals
- Recirculating flush style tank operated by means of a hand pump
- WC has lifting seat and lid
- Hand sanitiser as standard
- Interior operated door lock with indicator on outside to show empty / occupied
- Well ventilated interior with translucent roof to allow daylight illumination (battery lights available as a hire option)
- Self contained waste tank with blue flush chemical to eliminate odours
- Portable urinals can also be hired alongside our portable toilets to provide a convenient solution for male users, reducing the queue for the loo in the process.
- 126 Litre Tank Capacity
- Total weight: 85kg

### Optional hire extras

- Push on lights
- Padlock
- Protective cage for added security

In addition to this variation, we also supply cold wash, hot wash, mains plumbed in toilets and limited mobility access models.

Constructed from medium and high density Polyethylene
